

Application for TMEA Student Educational Grant

One purpose of the TMEA Educational Grant Committee is to approve financial support for aquatic education for students (K - 12). Contributions are available for student scholarships to experiences such as sea camps, aquatic camps, and Sea Grant camps.

Applicants must complete the following form and provide a copy of relevant registration forms, receipts, or brochures. Deadline for applications will be announced in the spring; notification will be made whether or not the committee has approved the grant. Please print or type.
